

# Meet the Teachers

## Trinity Lutheran School - Kaukauna

### Emily Livieri

Mrs. Livieri is the current 3K lead teacher and Director here at Trinity. She graduated from Martin Luther College in May of 2020 with a degree in Early Childhood Education. She was assigned to Trinity after graduation and began working here in July 2020. She has experiences in many different classrooms, including Birth-Kindergarten, from her clinical and student teaching experiences. Before starting at Trinity, she worked at a child care center starting in 2013, where she worked with ages from infant through school age. She believes that all children are learners, and learn best when engaged and motivated. She believes in the importance of forming relationships with each child, and understanding them as individuals and learners.

### Melody Krouse

Mrs. Krouse has been teaching for more than 10 years in both the private and public school settings. She has taught 3K/4K at Trinity since 2018. Her degrees and certifications include a Bachelor of Science in Early Childhood Education from UW-Stout, a Master of Science in Education from UW-Stout, a Special Education certificate in Emotional Behavioral Disorders, and WELS Ministry Certification from Martin Luther College in 2021.

Her philosophy is that all children learn at different levels and teaching children should include their needs and interests first. Learning is fun. Young children learn from what is important to them (family, themselves, other interests) and building off that increases their ability to want to learn even more. Children guide the learning in her Christian classroom.

### Victoria Lober

Miss Lober has been teaching for 3 years with a Bachelor of Science degree in Elementary Education from Martin Luther College. Trinity has been her teaching home since 2018. Her philosophy is that children grow and learn in different ways. Each child should be given the opportunity to discover their interests and enjoy learning as they grow. Her goal for the classroom is to equip the children to show their fruits of faith while they work or play in the classroom and outside of the classroom. Children are a blessing from the Lord. It is a joy to help you teach and train your child.
